Charitable Institutions.

The Secretary has the honour to submit the accompanying Correspondence relating to a contribution by the Municipality of 450 Rs monthly to the Friend in Need Society.

This amount will have to be included in the Budget of 63-4 as a Charitable Grant to carry this arrangement into effect. It is hoped that it will be unnecessary hereafter to be dependent on the Municipality for this Grant which being in effect

write to the Secy of the Friend
in Med Society & observe that
under orders of Govt of
India 6880 of 23 Dec 1879
a monthly grant of 400
towards the funds of the Sadr
Station in the part of the
Mysore Govt was sanctioned,
the continuance of the
allowance being subject to
half yearly reports, and on
the understanding that it
should cease as soon as
prices became more moderate

The latter part of these
instructions were only not
communicated in part to
the Society, that is to say,
they were not called upon
to furnish the half yearly
reports as required by
Govt.

This however that the
preparation of Budget
Returns makes it necessary

to scrutinize closely every item
of expenditure, it is desirable
that the Secretary of the Society
should be requested to
furnish a report of the working
of the Society during the
past year, with details
as to the sums received from
Govt from private subscriptions
the nature of the management,
the number of inmates, and
any other statements which
will throw light on the
subject. It would indeed
be desirable that a regular
Balance Sheet of receipts
and disbursements should
be rendered. It is to be
feared that unless very
full & clear statements
are made to justify the
present contribution of
the Govt of Mysore, exception
may be taken to the continuation
of so large a grant

3. The subject of these
instructions were
apparently not com-
municated to the Society

were not called upon
to furnish the half

by Government.
4. Now however
that the preparation
of Budget Returns makes
it ~~necessary~~ imperative, to scrutinize

you to furnish a report
